SUMMARY

Network Engineer, and Network Instructor/trainer at PT Axelerasi Bhinneka Teknologi & BelajarMikroTik.COM. specialize in delivering structured, hands-on training in MikroTik networking — from foundational concepts to advanced routing and wireless configurations. With a strong background in real-world network deployments, I've been actively involved in various projects across education and enterprise environments.

WORK EXPERIENCE

Trainer/Instructor **July 2022 - Present**

- Teach people especially (Vocational Highschool Teachers) about how to use MikroTik. Covered all topics in MikroTik such as, Basic Configuration, Tools, Bridge, Wireless, Routing protocols (Static Routing and Dynamic Routing), Firewall, Quality Of Services, DHCP, PPP, Tunneling protocol, ARP.

Network Engineer **July 2022 - Present**

- Planning and designing network building
- Installation Network Building
- Manages network building installation such as CCTV, IP Phone, Access Point, Cable Installation, and Configuration.

Educational Division Supervisor **July 2022 - Present**

- Manage partnerships between Axelbit and educational institutions, design and oversee training programs, and standardize curricula and materials. mentor trainers, monitor learning outcomes, and coordinate events such as workshops and webinars. also manage documentation, align education initiatives with business goals, and collaborate with internal teams to expand and strengthen Axelbit's educational ecosystem.

EDUCATION

Undergraduate Bachelor of Communication Science (On Progress) **Aug 2024 - Oct 2028**

- Universitas Terbuka (Indonesia Open University)

Major in Computer and Network Engineering (Teknik Komputer dan Jaringan) **May 2020 - May 2023**

- SMK Negeri 1 Tambakboyo.

ADDITIONAL INFORMATION

- **Technical Skills:** Operate MikroTik, BGP, IGRP (OSPF, IS-IS, etc), MPLS, Traffic Engineering, System Administrator (Operate Linux, install all server services), VLAN, IPv6, etc.
- **Languages:** English, Javanese, Indonesia.
- **Certifications:** MTCNA, MCTRE, MTCTCE, MTCWE, MTCIPv6E, MTCINE, Certified MikroTik Trainer, Train of Trainer IPv6 by APNIC, Teknisi Aktivasi Fiber Optik (BNSP), Instruktur Muda (BNSP).

Welly Chandra Mauliate Sitorus

having successfully completed the appropriate training
and certification requirements, is hereby recognised
as a MikroTik certified
